

BENEFITS OF PHSO-HEALTH MANAGEMENT

**VALUE TO
MHHS**

Appropriately lower cost of care via coordinated efforts to address high cost/high utilizing patients and SDOH.

Reduce avoidable inpatient stays and/or EC visits via CCM, RX, BPCI-A, MHA, and quality initiatives.

Targeted and focused quality techniques to improve performance amongst our ACO lives alongside maximizing shared savings opportunities.

Promotes community collaboration with Physician Organization, utilization of community resources to meet our goals of population health.

Grow patient obsession and loyalty with Memorial Hermann. Encourages use of internal services/providers.

Leveraging technology to enhance in-home care coordination; increase health literacy; and increase provider collaboration.

RESPONSIBLE FOR ~500K ACO LIVES
